Thanksgiving Feast Predictions

by: Vianka Diaz

I think the Thanksgiving feast is going to be cool. I think it will have nice desserts and good food. In my class we made place mats for our food. I hope it has gravy for my mash potatoes.

I think the desserts are going to be delicious. I think they're going to have cake, cookies, jello. Well maybe not jello, but you never know.

I hope there is mashed potatoes, stuffing, gravy, turkey and some juice.

Veteran's Day

By: Tanaiya Cephas

Hello, let me tell you about Veteran's Day. We did a moment of silence. Then they told us to sit for a minute and we all did. We all celebrate Veteran's Day. I think about them all the time even in my sleep. Some of them died, but some of them did not.

Thanksgiving Day

By: Layla Medina

On Thanksgiving Day families get together and celebrate what people are thankful for. They have a feast with turkey, mashed potatoes, corn, stuffing, cranberry sauce, and much more. For dessert people mostly have pie or something common like muffins.

Not most, but some people bring gifts to show their thanks. Some people don't though. I'd have to say that about 56% of people do. It's an option, but I bet it is less of a percentage.

The fourth Thursday of November is Thanksgiving Day. Thanksgiving is a happy holiday. Some people invite friends over for the feast they have. Thanksgiving day is about the pilgrims too!

There is no school on Thanksgiving or on Friday. Sometimes kids from different schools have half of a day at school. Some schools don't have a half of a day. Our school has a couple of half days.

The Thanksgiving Feast

By: Gage Culp

I think the feast is going to be awesome. There is going to be lots of food. All the students are there. Also all the teachers and lunch aides are there too. It is like a family feast.

There will be stuffing, my favorite, sweet potatoes, my least favorite, green beans, corn, potatoes, and turkey. What would Thanksgiving be without turkey?

At the Thanksgiving feast there will be lots of desserts. I had a brownie, but I bet the pumpkin pie was good.

Thanksgiving Feast

Happy Thanksgiving new readers! On Wednesday I am having a feast for Thanksgiving at my school. Then we have a Thanksgiving break for 4 days. My grandma might come over and if she does we are going to cook with her.

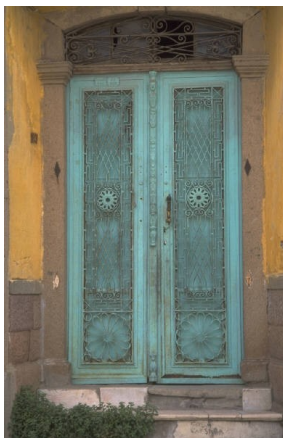

While my mom is at work we are going to cook dinner for her so when she comes home she can relax. Then we can eat and relax too. My grandma might stay the entire weekend.

The feast we are having will have dessert too. The teachers make the desserts like cupcakes, pie, and muffins.

We might have ice cream this year, but I don't know yet. We have lots of juice boxes. Each grade brings something.

We had so much fun at our school feast. The student leaders pass out the food. For dessert we had cookies, pies, jello, muffins, and brownies. For the food we had bread, stuffing, mashed potatoes, green beans, turkey, gravy, sweet potatoes, and that was it.

I never knew that Charlotte's Web was so sad. My mom would cry because it has a sad ending.

Information About Club 21 by: Mark Green

Club 21 is so fun because the teachers make it fun in their lessons. I like this program because we are doing lessons and games.

The teachers are so fun. If you are in Club 21 you would enjoy yourself. They will be holding trips in January.

They are doing a good job at making the program fun. They have a party every month. They have the party

for perfect attendance.

We go to the gym in Club 21. We also do 15 minutes of reading, writing, or homework and have lessons.

When we first walk in we have snack and can talk to our friends. Then we have 15 minutes of creative writing, homework, or reading. Then after that one of the teachers does a lesson. Then we go to the gym or outside.

Club 21 is so fun with Mrs. Mackall, Mrs. Jones, Mrs. O, Mr. Hudson, Mr. Doug, MR. Corney, Mrs. DeVita, Mrs. Mumert, Mrs. Kozak, Mrs. Gaughan, and Mrs. Johnson. They make the program good and do fun activities.

The Millville Midget Football League is undefeated except for the juniors. We are in first place and no team has beat us yet!

We had a game on Saturday and we won. The juniors did not play because their record are different. We play different teams then they do. Their record is 5-1 and ours is 10-0.

Next Saturday we have a game

against Clearview. Come watch if you can! It's going to be good.

I will be playing because I play for the seniors. My number is 8 and my name is on my shirt. It says Bowman.

Mr. Genius and His Answers by: Alzavier Ortiz

In Mrs. Sinone's class we are going to make a light bulb work. The items that we need are a battery, wire, and a light bulb. They are going to do this some time next week. The kids in Mrs. Sinone's class are so excited that they are going to make a light bulb work. Mrs. Sinone told her class not to do this at home though so they don't get hurt.
